

John Keen Photography... 612 Hwy. 1 South, Greenville, Ms. 38701 662-334-1467

Creative Portrait Photography Our studio has long been recognized for creative and quality portraiture. With our years of experience along with welcomed suggestions from our clients, we strive to provide you with a portrait experience with which you will be pleased.

Keeping it simple...We try to keep things simple for you: (1) Schedule your appointment, (2) Portraits are made and previews posted on our website, (3) You choose the size(s) and quantity you wish to order and (4) We take it from there.

Sitting Fees (payable on the day your portraits are made) This covers your photography session, editing and posting your previews online. Portraits are purchased in addition to your sitting fee. **Please note:** Sitting fees include up to one hour of photographer's time. An additional charge may be required for portrait sessions of more than one hour or for portraits made outside the Greenville area. Sitting fees are as follows:

Studio-\$60.00 Outdoors-\$75.00 Home/location requiring special lighting-\$85.00

Portrait Finishes-Our standard portraits which are listed are created with a beautiful *Lustre* finish. Other finishes including *Palette Texture, Canvas and Gallery Wrap* are also available.

Mounting -prints in sizes 16x20 and larger are mounted on double-weight mount board.

Retouching -some minor retouching may be done at the discretion of the studio. If more extensive retouching is required, an additional retouch charge may be necessary.
